

MORNING APPEAL

THURSDAY.....MAY 30

TODAY'S OBSERVANCE.

Today the remains of the mighty concourse of men who trod the battle fields of the war, meet to honor those who at the call of the Roster cannot answer "Here!"

Those whose graves are known to all who care to learn their whereabouts, have been honored again and again with emblems of the country's esteem and tokens of the affectionate regard of their friends.

But apart from all these, and resting in nameless and forgotten graves, are thousands upon thousands of men whose devotion to their country was as unselfish and whose bearing in battle was as brave as any whose resting places are decked with storied urn and sculptured monument.

Those who responded to the call for a country's deliverance gave but little heed to the whisperings of ambition when they hurried to the field, and as the war progressed, fame became a desperate gamble. Some went down before the bullets of the foe just as the trumpets of fame were sounding for them, and many whose loyalty to the Government and whose matchless bravery went unrewarded, were crowded into the trenches with the nameless dead, and names which might have been written in letters of living fire upon the pages of history, sleep in the long night of obscurity beneath the fields where grain is planted and where cities grow; beneath the ceaseless tread of men who through the marts of trade, where glide the feet of pleasure and of sin; where wild brooks wander and where children play. These are the men to hold in remembrance today because they have rested unremembered so long.

Every year thickens the mist which hides them, but the memory of their deeds will never be forgotten while the country they helped to save holds its head among the nations of the earth.

JEFFREYS LEWIS.

On next Sunday evening in San Francisco a benefit will be tendered to Miss Jeffreys Lewis, one of the greatest of all American actresses, and who might have been the greatest. She was discovered, deserted by her scoundrel of a husband, Harry Mainhall, and actually in want, having really not enough money to purchase food for herself and child—suffering the pangs of hunger. With a generosity characteristic of that noble and great actor, Edwin Booth, had no sooner heard of it than he immediately sent her a check for \$100, and sent on foot a programme for her benefit, from the proceeds of which it is expected that she will be able to go East, recuperate, and procure an engagement. There are magnificent possibilities in this woman yet, which only require kind hands, encouraging treatment and some Christian charity to bring out to their full development. God knows Jeffreys Lewis has had enough to suffer in the last eight years, and whatever mistakes she may have committed have been bitterly repented in tears and poverty.

Who among our theater-goers does not remember how she flashed upon a San Francisco audience some years ago in the old Daly Company and figuratively put the city at her feet.—Sacramento Bee.

The APPEAL thinks with the Bee that the gifted woman has been punished enough for her sins. She coveted another woman's husband, took it almost by force, and then found that she had stolen a very worthless man. Time has averaged poor Laura Vigel and Jeffreys Lewis. Whatever may have been her faults, she was brave enough to proclaim her acts to the world and face the scorn of it. If she will put aside the evil lamp that has guided her feet for the past few years and seek the society of those who counseled her in her better days, there is still a high plane for her genius on the American stage and a warm spot for her in the hearts of the thousands of theater goers whom she magnetized as "Zicka" and "Stephanie."

ATTENTION SPORTSMEN!—Save time and money and avoid risk of accident, by buying your shells already loaded. The "Carson Special" loaded shells are warranted water proof, and are sold at three cents apiece by Cagwin & Noteware of this city.

I am breeding all of my Gibraltar fillys to him. He is very speedy, and has shown quarters in 35 seconds and half in 1:12. TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looking a man ever saw. He took the first premium for 3-year-old stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$40 for the season; \$60 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2:15 to 2:30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive today. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2:40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2:30 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2:23 1/2; Bonito, dam by St. Clair, 2 year old record 2:24 1/2, 3 year old record 2:13 1/2; Manzanita, dam by St. Clair, 4 year old record 2:16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred a good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colt to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.
